## SØREN SMIDT OLSEN

I have worked as a specialist and leader on as both contractor and customer for large public and private companies. I have built core competencies in areas of leadership, development and maintenance of the systems landscape and building solid strategies and roadmaps for the future.

### ARCHITECTURE

- IT and Enterprise Architecture
- Gathering requirements
- Systems and contractor assessment
- Structuring and communication
- Change programs

### LEADERSHIP

- Personnel leadership
- Participation in leader teams
- Communication on all levels of the organisation

### CONSULTANCY

- Development of strategies, visions and roadmaps
- Counselling on Enterprise Architecture
- Participation/leadership of change programs
- Development of solution architectures
- Mentoring and coaching
